

The Link Foundation

[Back to results](#)

The Link foundation is a Maidenhead based children's charity committed to improving the lives of children and their families in the local community and surrounding areas. We aim to help all children and families in disadvantaged circumstances, both locally and overseas, regardless of background, race or religion, when we know that our practical assistance will make a difference to them.

Parents

If you think the Link Foundation might be able to help, you need to contact [one of our strategic partners](#) first. This may be your local GP, Health Visitor, teacher or one of our charity partners.

They are best placed to discuss your own personal circumstances with you in confidence, and they may also be able to direct you to other sources of support. They will also be able to explain the application process and assist you in making your application.
