

Real Gap Experience

[Back to results](#)

Not only do we offer a diverse range of travel adventures and volunteer projects, we send thousands of people on unforgettable trips every year.

Since starting out in 2003, Real Gap Experience has grown to offer over 160 programmes and travel options [across 40 countries over 6 continents](#). We want to offer both gap year travellers and career break explorers the best range of choices possible, so whether you're interested in volunteering, community work, conservation, paid work overseas, teaching English, learning a new skill, adventure travel or sports and expeditions, you'll find what you're looking for with us!

Whether you're off to Africa, Asia, Latin America, Central America or Europe you can be sure you'll be in the capable hands of travel experts at Real Gap Experience who know what they're talking about!
