

## Langley Pavilion Lunch Club

[Back to results](#)

The club provides a range of activities throughout the year, including Yoga, Bingo, Line Dancing and Donna's Exercise Classes. Special Events have included a special Jazz afternoon attended by 150 people. Music from the Glenn Miller era was provided by an authentic Jazz band, along with a buffet and drinks. The afternoon was so successful that another Jazz event is being planned for later in the year. At the Langley Summer Fair, Landley Lunch Club raised £500 from their stalls, which is being used to fund entertainment and trips out for all members of the club. The Christmas party is held in the hall, with entertainment provided by Dave's Disco. Lovely Gifts are included in raffles with at least 5 big hampers as prizes. Many trips are provided throughout the year, including day trips to Brighton, Worthing, Eastbourne, Morton on the Marsh, a Christmas trip to Mickey's Palace, plus river trips.

The Club strives to provide a place for all people aged 50 and above to come and enjoy themselves, make new friends, as well as helping to meet their social, emotional, physical and psychological needs throughout the year.

Opening Hours: Tuesday, Wednesday and Friday.
