

Help with Childcare Costs and Childcare Element of Working Tax Credit

[Back to results](#)

You can claim extra tax credits to help with your childcare costs if you're eligible. Use this tool to work out what childcare costs you should claim. You can make your claim 7 days before you start paying for childcare.

If you already claim tax credits for childcare costs and your costs have changed, you can use this tool to work out if you need to report the change to the Tax Credit Office. Further information is available on the [website](#).
