

Claire Currie - Childminder

[Back to results](#)

I've been described as bubbly and friendly by my children so thought it was the best description to introduce myself!

I've a three bed house with a driveway and rear Garden. The living room has ample toys and room to play in, with the kitchen being our craft/creative area and a dining table where we will eat meals together.

Our enclosed Garden is a good size with sand pits, water play and a playhouse.

I've a 7seater car, fully insured with spare car seats (you are welcome to provide your own of course).

We have one furry family member. 'Blue' our Dog who has adopted my boys lovely nature and calm manner.

I've a full week planned during term time with playgroups, soft play/park dates (depending on the weather)

I've great links with local childminders and the school, taking every opportunity to ensure your child has a varied week of activities with time for free play and rest when needed.

During the school holidays I plan activities to involve my children which include fun days, picnics to the park and farm visits.

I pride myself on communication, taking photos at every opportunity. Texting you updates during nap times and keeping a diary. Communication is so important to a great relationship with you and your child.

I aim for a home from home environment for your child, with every child being cared for as I would hope for with mine.
