

SCOPE

[Back to results](#)

Scope exists to make this country a place where disabled people have the same opportunities as everyone else. Until then, we'll be here. We provide support, information and advice to more than a quarter of a million disabled people and their families every year. We raise awareness of the issues that matter. And with your support, we'll keep driving change across society until this country is great for everyone.

Call our free helpline (Open 9am - 5pm weekdays)
