

## Refuge - Thames Valley Independent Sexual Violence Advisory Service (ISVA)

[Back to results](#)

The Thames Valley Independent Sexual Violence Advisory service supports anyone living in the Thames Valley area who has experienced, or is at risk of experiencing, sexual assault or rape.

Our advisory service offers confidential, non-judgmental and independent support for all those aged 18 or over in the Thames Valley area. Our service is for everyone, regardless of gender, sexuality, how long ago you experienced abuse, or whether or not you want to report your abuse to the police. Our specialist staff will work with you to create a tailor-made support plan to suit your needs.
